

CASTING.DIRECTING.EDITING

AMY YOUNG

PROFILE

5+ years of experience working within the performing arts, working closely with directors to bring their vision to reality. Communicating with actors and ensuring the director's vision is kept during absence.

WORK EXPERIENCE

PERFORMER/DIRECTOR (STAGE) | VARIOUS

- Developed an understanding of stage presence with over 10+ years of performing to crowds on stage. Leading teams and taking the lead on large-scale productions to direct and manage the performance. Work closely alongside engineers, research/insights, and production managers, to bring the vision of the show from paper to the stage. Map the vision for the user experience and create the space for others to collaborate within strict time frames.

(2011 – PRESENT)

FREELANCE | ADVERTISING CONTENT CREATOR

- Working with local businesses to create and develop their social media presence by creating content for their social media accounts. Editing multi-camera content with Davinci Resolve - Discussing with business owners and managers to ensure they are happy with the content captured and happy with the final results before publication. Ensure the content is quality checked and any errors corrected before sent to the client.

(2026 – PRESENT)

(WHILE IN TRAINING) | FILM DIRECTOR AND EDITOR

- While in education at LMA University (London Campus), working on large-scale film productions, creating short films. Working closely with other strands to create intricately designed films to engage the audience. Taking the multi-camera filming setup and separate audio recordings to develop and create the final edit for the film to be marked and graded.

(2023 – 2026)

EDUCATION

LMA LONDON

- BACHELOR OF ARTS WITH HONOURS DEGREE - DIGITAL FILM AND TV PRODUCTION (2023-2026)

From my first time performing on stage, I was drawn to the connection between performer and audience. Over the past ten years, that connection has shaped my passion for storytelling, leading me from performing into directing theatre, creating short films, and producing digital content.
